"Santa Pauli" – the one and only sexy Christmas market in the world

Everyone loves the German Christmas markets. Traditionally it's all about gingerbread, mulled wine and handmade artcraft. But located on the famous Reeperbahn, the mile of sin in Hamburg's redlight and party-district, for the 5th time there's gonna be a salacious version: SANTA PAULI. Tangas, dildos, blow-up dolls and other aphrodisiac products are all on offer. At the tent for adults only, every evening you can join a special erotic entertainment. But except strip shows, catwalks and erotic presents, Santa Pauli also offers non-adult entertainment and products.

The visitors will easily find the brightly lit Christmas tree. The little booths where you can buy gifts for loved ones, sausages, mulled wine, waffles, sweets, cookies, artworks and more. Everything you expect on a "normal" Christmas market. Also there are experiences of various musicians and artists on the show-stage and program for the children on Saturday and Sunday.

The mixture of old German traditions and the erotic spirit of St. Pauli convert SANTA PAULI to the most attractive experiences at Christmastime in Germany.

The market, located on Spielbudenplatz just across from the famous police station Davidwache, St. Pauli Theatre, Schmidt's Theatre, Tivoli, Panoptikum and Operettenhaus for musicals is open until 11pm during the week and 1am on the weekends.

The Open-Air-Chimney-Lounge WINTERDECK opens daily already from November 4th.
